

2026 Golf Membership Monthly Payment Plan Agreement

The monthly payment option is a financing arrangement for the purchase of an annual membership and is not a month-to-month or cancellable subscription. By enrolling, the member agrees to pay the full annual membership amount.

Monthly membership pricing reflects the convenience and flexibility of spreading payments over time. Members who pay annually in full receive the lowest available rate.

Annual dues are divided into twelve (12) monthly payments and billed on the 1st of each month. Sales tax is not included in advertised prices and will be applied as required. A prorated charge will apply for the remainder of the first month at enrollment.

If a payment is declined or not successfully processed, a \$50 late fee will be applied. Membership privileges may be suspended for unpaid balances. Suspension or termination of privileges does not cancel or reduce the remaining balance owed under the annual membership agreement.

By enrolling in the monthly payment plan, the member agrees to all Saddlebrook Golf Club membership rules, policies, and payment terms.
